LETTER

Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

It is Applicant's understanding that the present application is not available in the U.S. Patent and Trademark Office despite an official search therefor. Further, there has been no response to the two status requests filed December 15, 1997 and September 3, 1998. Further still, numerous telephone communications with Examiner T. Duong have confirmed that the present application continues to be unavailable to the Examiner.

In an effort to expedite the prosecution of this application, Applicant hereby offers to provide copies of all papers comprising the proceedings in the U.S. Patent and Trademark Office so that the Patent Office may reconstitute its official file.
